

BROWN CAP

organic soft serve made with Straus

Private Event Pricing for Mid to Larger Groups

We are generally a low-volume soft serve truck, which makes it hard to handle large numbers of people in a super short time. Best for guests to have access for the entire event vs. all at once.

For larger gatherings we have successfully provided several smaller-sized options:

\$400/hour -- Unlimited Brown Cap Waffle and Brown Cap Bowl

Small waffle cone or bowl with choice of vanilla, dutch chocolate, or twist ice cream comes with all possible toppings as options -- including Brown Cap.

best for mid-sized groups of 40-200

\$450/hour -- Unlimited smaller-sized Full Menu

Slightly smaller-sized versions than our standard size of our entire menu – including Happy Affogato's, Root Beer Floats, and Waffle cones.

comes with all possible toppings as options -- including Brown Cap.

best for mid-sized groups of 40-200

\$300/hour -- Unlimited Teeny-tiny Cones

"Kid cone" cones with choice of 1oz vanilla/chocolate/swirl organic soft serve ice cream plus optional rainbow or chocolate sprinkles

best for large groups (100+) or as fun supplement to event

Let us know if you have some ideas to personalize, we are open!

20% gratuity added to all invoices. Tax included.

Once choice is selected, we will email invoice, also payable online.

\$75 travel fee destinations further than 20 minutes away (usually outside Berkeley/Albany) but within our serving area. Corporate events have a slightly higher rate (to help keep prices lower for families)
